## WCTC'S DUAL ENROLLMENT ACADEMY

Waukesha County Technical College's (WCTC) Dual Enrollment Program involves spending the majority of a student's school day, both fall and spring semesters, at WCTC. The student is required to provide their own safety equipment (e.g. shoes or goggles), school supplies and transportation to and from campus. After successfully completing the program, they will earn a WCTC certificate or diploma along with high school credits.

The Dual Enrollment Academy helps ease the transition from high school to post-secondary education, giving the student insight into college academics and a jump start on apprenticeship programs. This initiative also gives business and industry access to a pipeline of new, well-trained talent.

The Dual Enrollment Academy also gives the student a head start in these in-demand fields:

- Automation Systems Technology
- Building Construction Trades
- Early Childhood Education Preschool
- Firefighter/EMT
- Hospitality Specialist
- IT Systems Specialist
- Tool and Die/CNC
- Welding/Fabrication

The WCTC Foundation would like to thank the following companies for their extreme generosity and support of WCTC's Dual Enrollment Program:

- American Friction & Welding, Inc.
- Bruno Independent Living Aids
- D&H Industries
- Dynamic Tool
- Fairchild Equipment, Inc.
- Guhring, Inc.
- HUSCO International
- Hydrite Chemical Company
- KLM Machining, Inc.
- Metal-Era, Inc.
- Milwaukee Tool
- Power Test
- Quad/Graphics
- Reich Tool & Design, Inc.
- Trace-A-Matic Corp.
- Wisconsin Metal Parts, Inc.

## A GIFT THAT KEEPS GIVING

Sylvia Lutz and Wendy Dulak, widow and daughter, respectively, of the late Terry Lutz, were at Waukesha County Technical College recently to sign one of the beams that will be used in the addition to the Terry Lutz Integrated Manufacturing Center. Lutz was a steadfast supporter of technical education and a generous donor to WCTC, helping to make the addition of classroom and lab spaces a reality for those in manufacturing programs. His legacy will live on through the students who learn in the new space. Included in the photo are Sylvia Lutz (signing), Wendy Dulak (center) and Mike Shiels, dean of the WCTC School of Applied Technologies, along with several WCTC students.

## EMERGENCY ASSISTANCE

One of the top reasons students drop out of school is because of unforeseen financial emergencies.

The WCTC Foundation provides financial assistance to students facing short-term financial emergencies. The Foundation's Hand Up Grant (HUG) is designated for students who do not receive other financial assistance or scholarship funding but who find themselves with a sudden financial need.

In addition, a fund has been set up through the WCTC Foundation by a private donor which provides gas and bus passes to those students have unmet emergency transportation needs.

Another struggle students face is hunger. The Campus Cupboard (food pantry), is located in the WCTC College Center, and is available to students currently enrolled at WCTC, and need nutritional assistance. Students must show a current student ID in order to pick up a pre-packed bag of groceries, which contains breakfast, lunch and dinner items; limit one bag per week per student. Since the Cupboard opened in 2012, over 5000 bags have been given out to our students. The WCTC Foundation also accepts monetary gifts which benefit the Campus Cupboard.

**100%**

of funds donated goes to help our students with their educational expenses, maintain and start new scholarships, and enhance learning opportunities.

## SCHOLARSHIPS AND RECIPIENTS

# ENDOWMENTS

There are many ways to give a gift to the WCTC Foundation, but if a long-term relationship with technical education is one of your goals, one of the best ways to ensure your gift will keep giving is by establishing an endowment fund. An endowment fund with the WCTC Foundation is an excellent tool for making a perpetual scholarship gift. An investment of \$10,000 establishes an endowment, which benefits WCTC students in a field of study, or other criteria established by the donor:

The WCTC Foundation Board of Directors extends its gratitude for the following new endowment established in fiscal year 2018-19 to benefit students attending WCTC:

## **Nicholas Wilcox Memorial Endowment Scholarship Fund**

Benefiting students enrolled in WCTC's School of Protective and Human Services specifically the Criminal Justice Studies Program.

For more information about establishing an endowment, contact the WCTC Foundation office at 262.691.5202, or email at [foundation@wctc.edu](mailto:foundation@wctc.edu).

# NEW MEMORIALS FOR THE WCTC FOUNDATION

The WCTC Foundation Remembrance Program provides charitable opportunities for memorials or special occasion remembrances. The Foundation would like to thank all those who made a gift in memory or in honor of a friend or loved one between July 1, 2018 and June 30, 2019. These special gifts are designed to support student scholarships and programs at WCTC.

If you would like to receive information regarding the WCTC Foundation Remembrance Program, call the Foundation office at 262.691.5202 or email [foundation@wctc.edu](mailto:foundation@wctc.edu).
