

Creating a Legacy

July 1, 2015 – June 30, 2016

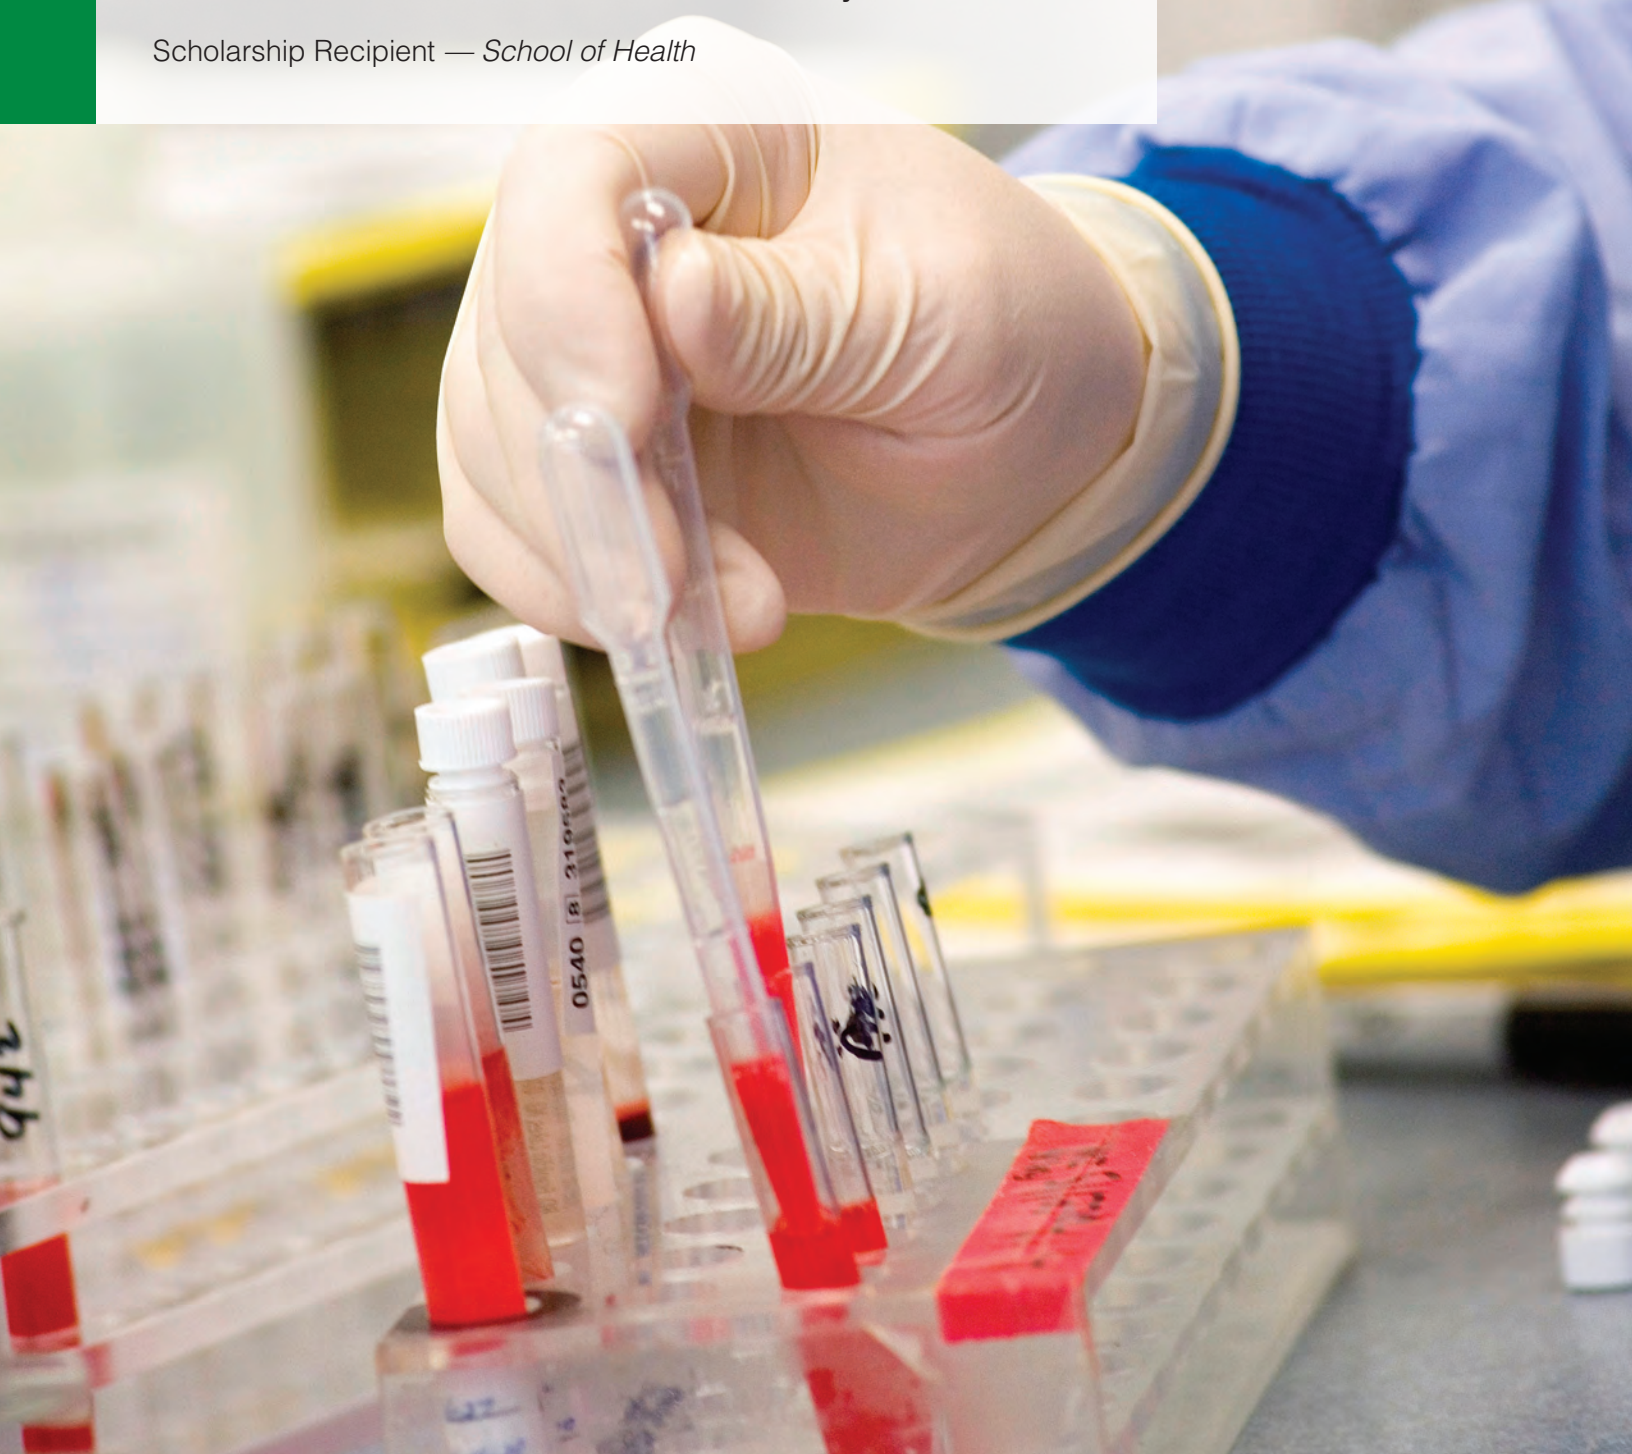

ANNUAL REPORT

WCTC
FOUNDATION INC.

“As a busy mother of four, it has been a challenge at times to make ends meet and this scholarship helps to ensure that I will undoubtedly be able to complete my studies at WCTC. Thank you for awarding me this generous scholarship and I will continue to do my absolute best academically, and also in my service to the Nursing Club. **I plan to carry the spirit of service forward** in my future career as a nurse, and in other areas of my life.”

Mission Statement

The mission of the WCTC Foundation is to secure charitable resources to assist WCTC students in achieving their educational goals. Through creativity, enthusiasm and collaboration, these efforts are in partnership with Waukesha County Technical College to foster lifelong learning and workforce development in our community.

History of Three Dads: John Fischer, Heinz Proell and Dieter Wienss

John Fischer immigrated to the United States in 1953 and found work immediately to utilize his skills as a machinist; Heinz Proell immigrated to the United States in 1955 and also found work immediately to utilize his skills as a machinist; and Dieter Wienss, on the other hand, immigrated first to Canada and worked for machine shops and in 1963 left Canada for Milwaukee seeking a machining position.

In the early 60's, all three men worked together for a period of three years when other opportunities arose, then Mr. Proell and Mr. Wienss moved to other shops.

In 1968, an opportunity presented itself for the men to go off to be self-employed and establish Trace-A-Matic Corp. At first Mr. Fischer did not join, but later in 1976,

he was added to the partnership of Trace-A-Matic.

Trace-A-Matic began on 43rd and Burnham in Milwaukee and moved to its Brookfield location in 1975.

Since the first building in Brookfield, Trace-A-Matic has spurred on sister companies of ProSource Trace-A-Matic in Houston Texas, American Friction Welding, D&H Industries and Cutting Edge Fabrication. In total, the businesses utilize approximately 600,000 square feet of building space and employ over 300 people.

Being able to support the Integrated Manufacturing Center on behalf of the three founders is a blessing and a joy for the second generation of John Fischer, Steve Proell and Thorsten Wienss.

The Thomas and Martha Brophy Family Advised Fund

There are many ways to give a gift to the WCTC Foundation to benefit our students and programs.

Tom Brophy, former member of the WCTC Foundation Board of Directors, and his wife, Martha, were very creative when they decided they wanted to assist WCTC students with their educational journey.

Tom & Martha wanted to give an IRA minimum distribution to the Foundation but could not do so until the law permitted the transfer to be tax-free. The good news is that Congress passed a tax bill that permanently expended the Qualified Charitable Distribution (QCD) provision which lets individuals over the age of 70½ years transfer from their IRA to charity and have it count as their required minimum distribution without increasing their adjusted gross income.

If you make a tax-free transfer to a charity, it does not provide for a charitable deduction. However, keeping the money out of your adjusted gross income can be valuable if it helps you avoid a higher tax bracket or keeps your income below the threshold for the Medicare high-income surcharge. Keeping money out of your adjusted gross income may also reduce the amount of your Social Security benefits that are subject to taxes. It is also a way to benefit from making a charitable contribution if you don't itemize your deductions on your tax return.

The WCTC Foundation is extremely grateful to Tom and Martha for this extraordinary gift which will provide opportunity and encouragement for students studying in WCTC's School of Health, specifically its Nursing program.

Ways to Give

You can support WCTC students in a variety of ways. We welcome gifts and bequests of all sizes. Contributions can be made through:

Endowments

An endowment with the WCTC Foundation is an excellent tool for making a perpetual scholarship gift. An investment of \$10,000 establishes a named endowment to benefit a specific category of students or a field of study that has been chosen by the donor. To accomplish this goal, gift commitments may be completed over a five-year period. Scholarships are awarded beginning the semester after the \$10,000 goal is reached.

Named Scholarships

Named Scholarships are established to recognize a particular individual or organization. The purpose of the scholarship may be designed specifically by the donor. Honorary and memorial scholarships usually define a field of interest specifically related to the donor's motivation. All Named Scholarships are promoted to students with information about the source of funding and purpose of the scholarship.

Advised Funds

Another form of support is through an Advised Fund. An Advised Fund is used for the support of specific programs of a department or division and/or the support of students enrolled at WCTC. Donors designating their gifts to an Advised Fund may restrict their gift to student assistance, staff development, materials, equipment, supplies, etc.

In-kind Gifts

Each year, in-kind donations of equipment and services assist in enhancing the educational experiences of students at WCTC. In-kind giving is a unique and meaningful way to support the educational advancement of students and utilizes items that may have concluded their usefulness for business. In-kind donations can include: new products and inventory, production equipment, buildings, land, raw materials, machinery and tooling, office furniture and equipment, heavy equipment, vehicles, and services.

Memorial and Honorary Gifts

Many donors wish to give a gift in memory of or in honor of a loved one or special friend.

Planned Gifts

A legacy or planned gift will benefit students for years to come. Estate planning professionals and WCTC Foundation staff can help determine the most effective way to design a legacy gift. This type of gift can be accomplished through a number of ways:

- Wills
- Charitable Remainder Trusts
- Charitable Lead Trusts
- Charitable and Deferred Gift Annuities
- Gift of Life Insurance

Special Bequests

A charitable bequest offers a way to support WCTC in a continued legacy. Memorial gifts and charitable bequests are lasting methods of supporting and enhancing the quality of education for students. Making a charitable bequest is not only a sign of good stewardship, it is also a mark of thoughtful estate planning, and the bequest becomes an enduring gift to technical education and its students.

If you are interested in any of these opportunities, please contact the WCTC Foundation at 262.691.5202.

Matching Gift Statement

If you work for a company that matches its employees' gifts, please be sure to obtain a matching gift form from your human resources office and return it to the WCTC Foundation.

All donations to the WCTC Foundation, a 501(c)(3) non-profit organization, are tax deductible as charitable contributions.

Baking Brings Sweetness to Others with Helen M. Ring Scholarship

Helen Maree Ring passed away in the fall of 2015 but her love of baking will live on through a new scholarship at WCTC. A resident of Elm Grove, WI for over 60 years she enjoyed baking for her family, friends and community as much as she enjoyed volunteering.

The Helen Maree Ring Scholarship will assist current WCTC students with tuition and supplies for a baking class each semester within the Baking and Pastry Management certificate or degree programs. Although Helen never attended WCTC, she volunteered throughout the Waukesha County area and would take pride in helping someone here share her passion.

Helen graduated with a bachelor's degree in Home Economics and Chemistry from Iowa State University where she met her husband James H. Ring. After marrying in 1947 they moved to Elm Grove a few short years later.

Helen loved to bake and worked for the Wisconsin Electric Power Company as a food demonstrator teaching youth classes, as well as contributing to the classic WEP Christmas Cookie Books.

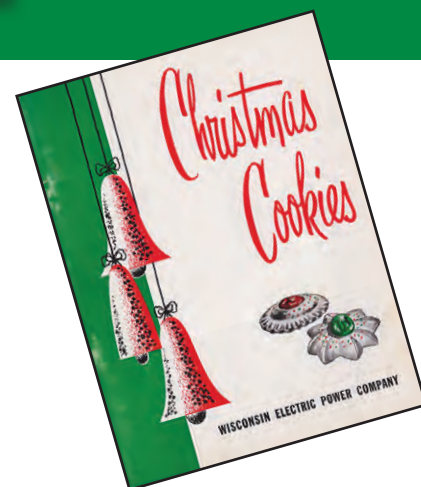

Her mouthwatering breads, Sour Cream Twists and Raisin Oatmeal

Cookies were favorites of her five children and later four grandchildren. Helen enjoyed the science and process of transforming ingredients into something golden and perfect, almost as much as she enjoyed sharing her treats with others. It was common to find her homemade breads, muffins or cookies at community events, church functions and breakrooms where she volunteered.

Helen was an active volunteer in the Elmbrook community. She was a charter member of the Elm Grove Women's Club, and a founding member of the Brookfield Congregational Church. She volunteered for the Children's Hospital of Wisconsin for 18 years and volunteered 29 years at University Lake School.

For a woman whose commercial mixer represented one of her favorite possessions, a scholarship enabling another person to learn and enhance their baking skills seems a fitting tribute.

Her family hopes the students who benefit from the scholarship feel the emotional draw that baking has to sweetening the lives of others.

Endowment Opportunities

An endowment with the WCTC Foundation is an excellent tool for making a perpetual scholarship gift. An investment of \$10,000 establishes a named endowment, which benefits WCTC students in a field or study, or other criteria defined by the donor.

The WCTC Foundation Board of Directors extends its gratitude to the following individuals and organizations who have established an endowment with the WCTC Foundation for students attending WCTC:

“Having been chosen for your scholarship is not only **a tremendous help financially, but also is an unparalleled motivator.** Going back to school after years of being in the workforce has not been easy and words cannot express how appreciative I am of this honor and your support. Your help will not only allow me to be more focused on furthering my education, but also my career in Graphic and Web Design as well.”

WCTC Foundation Financial Overview

The WCTC Foundation is committed to investing in student success, to faculty and staff excellence, and to the enhancement of College facilities and programs.

Gifts to the WCTC Foundation help our students reach their dreams.

100% of funds donated goes to help our students with their educational expenses, maintain and start new scholarships, and enhance teaching and learning opportunities.

The Foundation offers a variety of scholarships for both new and returning students. Over \$217,000 in scholarships are awarded each year. Scholarship awards range from \$250 to \$1,500 per semester. Students only need to complete one online scholarship application annually. The Scholarship Committee then selects the recipients for a specific scholarship based on the applications received.

The Continuing Legacy of Delores Jeuck

During Mrs. Delores Jeuck's 83 years of life, she kept a low profile. But after her death, she is making a huge impact on student's lives at WCTC. Mrs. Jeuck, who passed away in November 2014, was a resident of Waukesha and a retired postmistress from North Prairie.

She deeply believed in charities that support the Waukesha area. Because of this, Mrs. Jeuck left a substantial estate that was divided among six Waukesha non-profit organizations. The WCTC Foundation was named as a recipient and received a gift of over \$250,000.

Vicky Hekkers, niece of Delores, talked about her aunt's strong respect for nurses and members of the police department. Mrs. Jeuck's legacy will continue to assist students enrolled in WCTC's Nursing program, as well as the College's Criminal Justice Studies program, through scholarships, academic program support and equipment.

The WCTC Foundation is honored and proud to be the steward of these very special scholarships.

The Shawn Willett Memorial Scholarship

The Shawn Willett Memorial Scholarship Fund was established by Brad and Cathy Willett, parents of Shawn. Shawn was only 24 years old when he passed away. At the time of Shawn's death, he was a student at WCTC and was enrolled in the college's Criminal Justice program.

Shawn's true passion was cars, and he belonged to several car clubs. In August of 2016, a Car-Truck-Bike Show was held in his memory. Proceeds of this event were used to benefit the Shawn Willett Memorial Scholarship. This very special scholarship will assist future students studying in the law enforcement field at WCTC.

Donor Wall Created for the Integrated Manufacturing Center

The Integrated Manufacturing Center (IMC) is dedicated in grateful tribute to the corporations, individuals, foundations, community and civic organizations, and other friends of the College, for providing the philanthropic support to building this structure and advance the educational journey of our students.

The unique recognition wall was designed and constructed by WCTC students, faculty and staff of WCTC's School of Applied Technology.

The cherry wood background and trim for the wall was prepared through the College's Carpentry Program, guided by instructors Dan Erdman and Mark Montgomery, along with Mark's wife, Roberta. The individual gears were created through WCTC's Mechanical Design Technology Program, guided by Instructors, Charles Kis and Dan Rusch.

Each gear was painted by the Auto Collision Repair and Refinishing students guided by WCTC instructor Ralph Pogorzelski. Mike Shiels, Dean of the School of Applied Technologies and a member of the WCTC Foundation Board, provided the encouragement for this concept and its implementation.

Remembrance Program

The WCTC Foundation Remembrance Program provides charitable opportunities for memorials or special occasion remembrances. The following is a list of memorial and recognition gifts received from July, 1 2015 through June 30, 2016. These special donations are designed to support student scholarships and programs at WCTC.

If you would like to receive information regarding the WCTC Foundation Remembrance Program, please call the Foundation office at 262.691.5202 or email foundation@wctc.edu. Thank you!

“As a new graduate from WCTC’s Tool and Die program, I am getting established in the shop where I will be apprenticing. As my duties expand, I am finding myself **in need of specialized and superior instruments and tooling**. This scholarship is very timely.”

Scholarship Recipient — *School of Applied Technologies*

Thank You to our Donors

Thank you to all of our donors for their continued generous support of the WCTC Foundation's mission and goals.

Without your support, we would not be able to offer scholarships to our students, enhance WCTC's educational programs, or support WCTC's institutional advancement.
