### **Academic Advisor**

A person who supports students in achieving their academic goals. Services are provided to all prospective, new, current, and transfer students. It is important for all students new to WCTC to understand WCTC's programs, policies and procedures. Academic advisors provide tools and resources needed to be successful.

---

### **Academic Probation**

An official warning from WCTC that a student has not maintained good academic standing, for a second time, due to a grade point average that is below 2.0.

---

### **Academic Year**

The period of 12 months running from August of one year through August of the following year which includes fall, spring and summer terms.

---

### **Accelerated Course**

Traditional semester-long (16 week) courses offered within a condensed timeframe, for example, six or eight weeks.

---

### **Admission**

The process of applying to WCTC programs. The admission process is separate from the process of registering for courses.

---

### **Admission Steps**

Actions students must complete before they can be considered for admission to WCTC programs.

---

### **Advanced Placement (AP)**

Credit attained through the completion of high school coursework with curriculum designed to be at the college level. AP courses are designed to prepare students to take an AP test at the end of the course. Students who pass the AP exams with sufficient scores may be awarded college credit.

---

### **ALEKS**

An assessment tool that identifies mathematical strengths and weaknesses, determines a placement score and provides an opportunity to improve skills using a prep module. Waukesha County Technical College requires ALEKS PPL (Placement, Preparation and Learning) for all Mechanical Engineering Technology (MET) and Electrical Engineering Technology (EET) students for math placement.

---

### **Application**

The WCTC admissions application is required of students in order for them to indicate their interest in pursuing a program.

---

### **Application Completion Deadline**

The day that prospective students must have all of the admissions steps completed by in order to enroll into a specific program of study. Students must complete all admissions requirements before the application completion deadline in order to be admitted to a program.

---

### **Application Deadline**

The last day for prospective students to submit an application for a program of study. The deadlines vary from program to program.

---

### **Apply**

To declare intent to pursue a WCTC associate degree or diploma program. Students do this by submitting an online or paper admissions application.

---

### **Apprenticeship**

A structured system of training designed to prepare individuals for skilled occupations. It combines on-the-job training under the supervision of experienced journey workers with related classroom instruction. Apprentices who successfully complete the prescribed number of hours of training in an apprenticeship program become certified skilled workers. Apprenticeships are administered by the state of Wisconsin and are employer sponsored. Students need to secure employment prior to signing up for an apprenticeship.
