

Business Management

68-credit Associate of Applied Science Degree

About the Program

Prepare for a successful career as an entry-level manager, operations assistant or small business manager or owner. Acquire a broad business background to enhance the ability to make sound business decisions. Learn how to effectively plan, organize, direct, and evaluate business functions essential to efficient and productive business organizations. Students should enjoy leadership roles and have an interest in management, accounting, finance, marketing, human resources, entrepreneurship and business law.

Potential Job Titles

- Management trainee/assistant manager
- Production/operating specialist
- Front-line supervisors of retail/customer service workers
- Personal bankers
- Financial managers
- Account coordinators
- Business development specialist

Credit Transfer

Credits earned in the Business Management program may be transferable to institutions offering baccalaureate degrees. Visit www.wctc.edu/transfer for specific information. Since the details of credit transfers change from time to time, be sure to contact the intended college or university to verify credit transferability.
