

WCTC Consortium Agreement

What is a Consortium Agreement?

A Consortium Agreement is an agreement between two institutions' financial aid offices which enables you to receive financial aid from your home school (school that you expect to graduate from) while temporarily attending a visiting school.

By using this consortium agreement, you may be eligible for funding through Waukesha County Technical College (the home school) to take a course at another institution (the visiting school) while you are enrolled at Waukesha County Technical College. Your financial aid at Waukesha County Technical College will be disbursed to your student account and cannot be sent to your visiting school. You will need to make payment arrangements with your visiting school independently.

We encourage students to complete the consortium agreement prior to WCTC's financial aid census date to ensure maximum offer eligibility.

Who is eligible to complete a Consortium Agreement?

1. Must be receiving financial aid at Waukesha County Technical College (WCTC).
2. Be admitted to a financial aid eligible Associate Degree or Technical Diploma at WCTC.
3. Courses must apply to graduation at Waukesha County Technical College. This can be confirmed by emailing your WCTC Advisor or Associate Dean.

How does the visiting school receive their money?

Waukesha County Technical College will disburse aid according to the WCTC disbursement schedule. If tuition and fees are due at the visiting school prior to the disbursement schedule at WCTC, you will need to make arrangements with the visiting school to pay by that deadline.

Student Checklist:

- Read the Consortium Agreement Form and determine eligibility.
- Complete the student section of Consortium Agreement Form, Step 1.
- Contact the visiting school Financial Aid Office to complete Step 2.
- Have WCTC Advisor or Associate Dean complete certification statement, Step 3.
- Return the completed forms to the WCTC Financial Aid Office.
- Once you have completed the consortium semester, provide an official transcript from your visiting school to the Admissions Office at WCTC. If you drop the course(s), withdraw, stop attending, or change enrollment at any time during the consortium semester, you must notify the WCTC Financial Aid Office.
