As a part of the Financial Aid Verification process, you must confirm your tax filing status and all income earned from work in 2021.

Did you or will you file a federal tax return for 2021? Yes No

If Yes, you must provide your income information to the WCTC Financial Aid Office. **You may do this in one of two ways:**

- Use the IRS Data Retrieval Tool (DRT).** Go to studentaid.gov to make a correction to the student's 2023-24 FAFSA. You can retrieve your 2021 income data from the IRS via the FAFSA. If the FAFSA indicates you are not eligible to use the IRS Data Retrieval Tool, proceed to number 2 below.
- Submit a signed copy of the 2021 Federal Tax Return and any schedules filed** that you submitted to the IRS or other tax authorities. Even if your federal tax return was filed electronically, you must still physically sign the copy that you are submitting to the Financial Aid Office.

If No, list the employers and other sources of income received in 2021 including the amount of money from each. You are required to submit your **2021 W-2 form(s)** with this worksheet if income was earned from working. **If you did not work or have other sources of income, list \$0.**
