If you answered "No" to all of the questions above, you most likely are required to enter parental information on the FAFSA. Return to your FAFSA on studentaid.gov and enter parental information. Your parent will need to sign the FAFSA with their own FSA ID and password. We will not be able to process your FAFSA unless you provide parental information. If there are extenuating circumstances that are preventing you from obtaining parental information, please contact us.
