

WCTC PROGRAM LISTING

PUBLIC SERVICE & SAFETY

HEROES IN THE MAKING

Embark on a purpose-driven journey with a career in public service and safety. Through hands-on training in life-saving techniques, crisis management and law enforcement strategies, you'll prepare for high-stakes roles where quick thinking and decisive action are paramount. Develop a heart for service and emerge ready to face challenges head-on, whether on the frontlines of an emergency or dutifully safeguarding your community.

Criminal Justice Studies

61-credit AAS | wctc.edu/criminal-justice

POTENTIAL CAREERS:

Law Enforcement, Homeland Security, Private Security, Corrections, Probation Parole, Emergency Communications - 911, Crime Scene Forensic Investigator, Victim Witness Social Worker

Gain skills to protect and care for the community while showing respect and compassion to all people. Learn to work well within a team, apply effective communication and hold accountability in order to secure peace, inspire hope and motivate positive change in the world.

Criminal Justice - Law Enforcement Academy

wctc.edu/law-academy

POTENTIAL CAREERS:

Deputy Sheriff, Police Officer, Detective

WCTC's Criminal Justice - Law Enforcement Academy prepares you to become certified as a police officer and enhances your ability to gain employment with a law enforcement agency. Build upon your previous classroom knowledge through additional training in topics such as defense and arrest tactics, emergency vehicle operation, firearms and vehicle contacts.

“I couldn’t have asked to go anywhere else for my education. I learned so much from the Criminal Justice instructors, and it really prepared me for my career”.

Carlos Guzman - Criminal Justice-Law Enforcement '15

FIRE MEDIC | PATHWAY

Fire Medic

66-credit AAS | wctc.edu/fire-medic

POTENTIAL CAREERS:

Fire Fighter, EMT - Paramedic, Emergency Room Technician (ER Tech)

Fire medics cross-train in the areas of emergency medical services and fire protection/suppression. They respond to all types of emergencies, such as house fires, traffic accidents and rescue situations.

Develop skills in emergency medical response at the paramedic technician level; learn about fire behavior, firefighter safety and survival; and develop critical thinking skills for effective emergency response.

Paramedic Technician (Diploma)

38-credit TD | wctc.edu/paramedic-tech

POTENTIAL CAREERS:

Paramedic Technician, Emergency Department Technician, Flight Medic

Paramedics provide emergency pre-hospital care to those experiencing a medical emergency such as illness, injury or trauma. In the diploma program, develop skills in emergency medical systems and paramedic principles; patient assessment; pharmacology, anatomy and physiology; paramedic respiratory and cardiac management; pre-hospital treatment and care; EMS operations; and caring for special populations.

FIRE MEDIC | PATHWAY

Emergency Medical Technician

5-credit TD | wctc.edu/emt

POTENTIAL CAREERS:

Emergency Medical Technician (EMT)

Emergency medical services providers are the first to respond to emergency calls. In this program, develop the skills and knowledge necessary to assess and manage all types of injuries and acute illnesses, while providing safe and rapid transport to a medical facility. Learn about airway management, bleeding and shock, emergency childbirth and automated defibrillation.

FIRE PROTECTION TECHNICIAN | PATHWAY

Fire Protection Technician

60-credit AAS | wctc.edu/fire

POTENTIAL CAREERS:

Fire Fighter, Fire Inspector, Code Enforcement Specialist, Plans Reviewer

Firefighters protect life, property and the environment through fire suppression, hazardous materials mitigation and emergency medical services. They also improve their communities through fire prevention activities. Learn from experienced firefighters and practice skills using state-of-the-art training facilities and equipment. Being a member of a fire department is highly recommended, but it is not an admissions requirement.

Emergency Medical Technician

5-credit TD | wctc.edu/emt

POTENTIAL CAREERS:

Emergency Medical Technician (EMT)

Emergency medical services providers are the first to respond to emergency calls. In this program, develop the skills and knowledge necessary to assess and manage all types of injuries and acute illnesses, while providing safe and rapid transport to a medical facility. Learn about airway management, bleeding and shock, emergency childbirth and automated defibrillation.

PARAMEDIC TECHNICIAN | PATHWAY

Paramedic Technician (Degree)

66-credit AAS | wctc.edu/paramedic

POTENTIAL CAREERS:

Paramedic Technician, Emergency Department Technician, Flight Medic

Paramedics provide advanced-level care during medical emergencies. Their quick response and competent care may mean the difference between life and death for those who are injured, wounded or sick. In the degree program, learn to manage emergency patient care and treatment by performing comprehensive patient assessments, provide advanced cardiac life support, administer medications and perform interventions.
