

PATHWAYS TO ACCESS COLLEGE & CAREERS

Presentation Catalog

YOUR FUTURE STARTS HERE!

Let Waukesha County Technical College guide you through overcoming challenges of college entry, help you design a personalized career path with confidence and discover the power of a technical education.

ALL GRADES

Professionalism 101

Explore how to remain authentic but professional in college and the workplace

Soft & Critical Life Skills

Interact effectively with others. Learn about emotional intelligence, self-management skills like how to successfully manage your time, set goals, develop self-motivation, and be adaptable in college/work.

Know Your Path

Dive in-depth to learn the different types of employment in the workforce along with degree types and student types in college.

Making Friends Post HS

Develop the social skills and strategies necessary to build new friendships in post-high school environments, such as college, professional settings, or the workforce.

9TH - 10TH GRADE

The Value of College - Is It Worth It?

Is college worth it? Explore not just the academic aspects of attending college, but also how a degree can impact one's career trajectory, personal growth, and long-term financial stability.

Academic & Test Prep

Review the different assessments colleges use for admissions and gain tips on learning strategies for test-taking and study skills.

Soft & Critical Life Skills - Being Effective

Interact effectively with others. Learn about emotional intelligence, self-management skills like how to successfully manage your time, set goals, develop self-motivation, and be adaptable in college/work.

Paying for College

What are your options? Explore the many ways to pay for college and how you can create a plan early on.

High School Dual Credit

By taking courses that count toward both your high school and college requirements, you can save significant time and money. Explore how.

Know Your Path

Dive in-depth to learn the different types of employment in the workforce along with degree types and student types in college.

11TH - 12TH GRADE

Testing for College Credit

Prepare for standardized exams that allow you to earn college credit. An introduction to the structure, content, and scoring of various credit-by-exam tests (e.g., AP, CLEP).

Applications 101

Learn about job and college applications, the similarities, and differences between the two, and how to navigate the various types of job or college applications.

Finding the Right Fit

What should I become? Learn how to connect your strengths & interests to a career pathway or college program.

Juggling It All

How to manage stress and time in college or the workforce. Explore coping mechanisms and various techniques to support you in the academic and professional world.

Gain Skills through Service

Learn about the various ways to get involved in college through serving on student organizations or employee resource groups at work.

Financial Aid & Scholarships

Learn about what FAFSA and scholarships are, tips on exploring FAFSA and scholarships, and common mistakes on FAFSA and scholarship applications.

How to Transfer Colleges

A Guide to transferring colleges and understanding different transfer admission processes.

Making Friends Post HS

Develop the social skills and strategies necessary to build new friendships in post-high school environments, such as college, professional settings, or the workforce.

Presentations are customizable to fit the needs of your group.
