

EDUCATIONAL AGREEMENT
BETWEEN
OTTAWA UNIVERSITY
AND
Waukesha County Technical College

This agreement is entered into between Ottawa University, a Kansas corporation, herein referred to as "Ottawa", and Waukesha County Technical College, herein after referred to as "WCTC".

Whereas, Ottawa has over 160 years of demonstrated academic excellence in delivering high quality, university educational programs through a variety of delivery systems, and WCTC has a reputation for excellence in providing programs designed to train people in a variety of careers.

Whereas, Ottawa and WCTC agree that cooperation between them may be of benefit to both parties and their constituencies by increasing graduation rates at the associates and bachelors levels.

Therefore, Ottawa and WCTC desire to enter into a mutually beneficial agreement whereby the parties agree to abide by all the terms and conditions set forth in this agreement as follows:

1. Effective from the date of signature, Ottawa will offer a reduction in tuition or equivalent scholarship to any WCTC associate degree graduate who transfers to complete a baccalaureate degree program at Ottawa University. The transfer advantage program will reduce the per credit hour tuition paid by the new student by a 20 % decrease of the posted rate for online, standard Bachelor's level coursework. Tuition rates are subject to change. The reduction in tuition is limited to one baccalaureate degree per student, and to coursework which applies to the student's program of choice. Coursework may be completed online or on campus at Ottawa University's adult locations as course offerings are available. Students may begin in any term throughout the academic year. The student is eligible to receive the reduced tuition rate for three (3) years from the start of their first course, or until completion of the baccalaureate degree, whichever occurs first.
2. Additionally, Ottawa will offer a 20% tuition reduction, or equivalent scholarship, to employees of Waukesha County Technical College who enroll in a baccalaureate or graduate degree program through Ottawa University's Adult Professional and Graduate online campus. The incentive is limited to one baccalaureate or graduate degree per employee of WCTC.

3. As part of this agreement, WCTC agrees to assist in informing students of this transfer advantage benefit using existing channels and resources, as well as others upon which the parties may mutually agree. Ottawa invites WCTC to participate in joint announcements of this agreement, and in lending the use of its name and logos for this purpose in promotional materials, mailing pieces, digital media, or other items by mutual agreement. It is understood that either party using the other's name and logos will obtain the approval of the other party prior to its distribution. Each party agrees to acknowledge and recognize the agreement on each institution's website and via other marketing and publicity methods.
4. Residential Scholar Scholarship (RSS): Separate from the scholarship identified in Section 1 above, WCTC associate degree graduates are eligible to receive an annual \$10,000 Ottawa University tuition scholarship to attend the traditional residential campus in Ottawa, Kansas. The RSS scholarship is subject to the admissions policies of Ottawa, acceptance to the bachelor's degree program at Ottawa, and attendance and residence at Ottawa. In addition to these policies, if awarded the RSS, students are required to be continuously enrolled each term to retain eligibility for the scholarship. This program is separate and unique from the educational opportunity mentioned in #1 above. The annual \$10,000 RSS scholarship cannot be used in conjunction with any other local aid/scholarships (i.e.: potential merit award) and any recipient of the \$10,000 scholarship must complete the federal financial form (FAFSA) to apply for federal and state financial aid to determine the best use of aid for each individual student and to apply any available grants.
5. Ottawa will award and transcribe college-level credit earned through the successful completion of any associate of arts degree program or associate of science degree program awarded by WCTC. Varsity sports, developmental, remedial, and courses that are not applicable to WCTC degree will not transfer. Activity courses, such as skill building, physical, and musical activities, will be limited to four credits for each area. Coursework from other institutions accepted toward the WCTC associates degree will be evaluated and transcribed in compliance with Ottawa's transfer policy. Coursework from other institutions and credit for prior learning accepted toward the WCTC associates degree will be evaluated and transcribed in compliance with Ottawa's transfer policy and may result in a difference of credit than granted by WCTC.
6. Ottawa will accept a maximum of 80 credits from WCTC toward the Bachelor of Arts or Bachelor of Science degree. Of the 120 semester hours of credit required for graduation, a minimum of 30 hours must be completed at Ottawa University, including a minimum of 12 hours of upper division coursework in the major. The student must also complete a minimum of 42 hours of upper division coursework.

7. Adult and Online Studies: Ottawa's General Education requirements are organized into four areas called Breadth Areas; Art/Expression, Social/Civic Studies, Science/Description and Value/Meaning. Demonstration of competence in the Liberal Arts breadth areas includes completion of a minimum 6 semester hours of credit. A student gaining an associate degree from WCTC will typically have fulfilled Ottawa's breadth area requirements as a result of completing WCTC requirements. Should breadth area courses be lacking, these will be available through the student's regular course of study at Ottawa University. Ottawa recognizes that learning in these four areas may be achieved in varied ways through different classes and/or tests, depending on students' needs, interests, and educational backgrounds. Students must also successfully complete the LAS sequence of courses at Ottawa, consisting of a minimum of LAS 30012 Writing and Critical Thinking in the Liberal Arts and LAS 45012 Global Issues in the Liberal Arts, and UNV 30001 Academic Success and Personal Significance (not applicable to BSN prelicensure).

Residential Campus: Students must complete the appropriate liberal arts interdisciplinary seminars based on their student classification at entry, the information literacy requirement, religion requirement, eight breadth area requirements, as well as writing and computational competencies.

8. Only courses for which students have received a grade of "C" or better (2.0 on a 4.0 scale) can be transferred and applied toward the required 120 credits needed for graduation. Students must have a minimum cumulative grade point average of 2.00 to graduate from Ottawa.
9. Each of the parties is responsible respectively to maintain their offerings according to the academic standards which meet all the standards for accreditation by the Higher Learning Commission - Ottawa and WCTC.
10. This includes, but is not limited to, information pertaining to students covered by The Family Educational Rights and Privacy Act (FERPA). Ottawa shall promptly notify WCTC of all requests or demands for information related to WCTC students it receives in connection with any legal, governmental, or other proceeding or investigation unless otherwise prohibited by law.
