Your 2024-2025 Free Application for Federal Student Aid (FAFSA) has been selected for review based on your unusual college enrollment history. Federal regulations dictate that we must ask you for additional information before determining your eligibility for federal student aid. The purpose of this form is to analyze your receipt of Pell Grant and Federal Direct Loan funds over the past four academic years.

Along with this form, the Financial Aid office is required to review your academic transcript(s) showing dates attended and credits earned for all the schools listed. Please note that if you waived transcripts for any school(s) during the Admissions process, they are still required for this review.
