Mission:

WCTC Academic Advisors provide tools and information to empower students to develop their career goals and to achieve academic success. Through campus-wide collaboration, advisors serve as advocates to help students to reach their full potential.

Vision:

Academic Advising at WCTC actively fosters the success of all students by serving as an integral part of the academic community.

Academic Advising Learning Outcomes:

Academic advising is an essential part of the college experience. Academic Advisors and students work collaboratively to enhance student success. The following learning outcomes identify students' abilities, knowledge and developmental progress acquired as a result of the advising process.

1. Actively participate in the student enrollment process while adhering to deadlines (Financial Aid, Registration).
2. Utilize WCTC student technologies (i.e. WCTC email, myProfile, Portal, Canvas, etc.).
3. Demonstrate knowledge of specific program requirements and take responsibility for academic planning and decision-making.
4. Develop, implement, and maintain a clear academic plan suited to enhance life and career goals.
5. Use college policies and procedures to make informed decisions.
6. Connect with campus resources in order to support student success.

Expectations:

Expectations of Student	Expectations of Academic Advisor
1. Contact your Academic Advisor at least once a semester.	1. Encourage and guide you to define and develop goals and move towards success.
2. Demonstrate professionalism (plan ahead, call if cancellations are needed, be punctual to appointments).	2. Guide, encourage and help to empower you to take responsibility for your educational choices and assist with the development of your educational goals.
3. Come prepared to appointments with questions and documents.	3. Treat you with respect and listen carefully to your questions and concerns.
4. Seek to understand the program curriculum and be an active participant in developing your education plan, which includes personal and academic goals.	4. Help you navigate and understand program requirements while providing you with resources and referrals.
5. Be aware of important dates and read all WCTC mail and email.	5. Understand WCTC degree and program requirements and effectively communicate them.
6. Familiarize yourself with college policies, procedures, program requirements, and opportunities when appropriate.	6. Academic Advising services are offered year-round and your Academic Advisor will be accessible to meet for advising via email, appointment, and/or telephone.
7. Follow through on academic plan developed with your Academic Advisor.	7. Connect your academic experience with your personal and professional goals.
8. Notify your Academic Advisor of any significant changes in your education plan.	8. Be familiar with college policies and procedures and develop a plan for academic success.

Critical Life Skills:

Waukesha County Technical College strives to help students reach their full academic and career potential. Four critical life skills are purposefully integrated into campus activities, coursework, and academic advising. These critical life skills are:

- **Communication** - students demonstrate appropriate communication
- **Critical Thinking/Problem Solving** - students demonstrate critical thinking skills to analyze situations and solve problems
- **Relationship** - students demonstrate effective interpersonal skills
- **Self-Management** - students demonstrate responsible and respectful behavior

Confidentiality:

The Family Education Rights and Privacy Act (FERPA) is a federal law that protects students' academic information. FERPA restricts the disclosure of students' educational information. As such, Academic Advisors comply with FERPA guidelines to protect the privacy of your educational record, as it is classified confidential information. You may choose to grant permission to an individual or organization to access your academic information by completing the [Authorization to Release Educational Record Information](#). For more information, go to www.wctc.edu/ferpa.

Technical Support:

Students needing technical assistance may contact the WCTC Service Desk at 262-691-5555 or via email at servicedesk@wctc.edu. Additional technology support information is available online at www.wctc.edu/technology.
