Dual Enrollment Academy Program Add Request Form

This form should be completed by active WCTC Dual Enrollment Academy students requesting to add a program. In most cases, this form will take the place of WCTC's traditional Admissions application. Please note, there are select programs that will require you to go through the Admissions process which may include submitting an application, completing testing, meeting with an advisor, etc.

Completion of this form will require you to meet with an Academic Advisor. Once you meet with your Academic Advisor, if no additional steps are required, an email will be sent to your WCTC account when your new program has been added.

Name_____ID_____
