

Summer Course for Middle
and High School students

JAVASCRIPT

MONDAY - WEDNESDAY

June 17 - July 31 | 12 – 3:50 p.m. | Course cost: \$437.²⁵

Pewaukee Campus, 800 Main Street, Pewaukee

This course is an introduction to programming fundamentals using JavaScript. JavaScript is a client-side scripting language used for creating dynamic web applications. Fundamentals covered include variables, decisions, functions, events, loops and arrays. Use these fundamentals by applying them to a range of programs that solve personal and business problems with hands-on exercises. Cascading style sheets (CSS), hypertext markup language (HTML) and the document object model (DOM) will also be discussed.
