

Summer Course for Middle and High School students

PYTHON PROGRAMMING

MONDAY - THURSDAY

June 17 - 20 | 8 - 11:50 a.m. | Course cost: \$146.⁷⁵

Pewaukee Campus, 800 Main Street, Pewaukee

The Python programming course will introduce teens to computer programming using the Python programming language. Python is used at several top universities because it is very straight forward and easy to learn. We will explore problem solving techniques, sequential commands, decisions and loops. The last day of class will be ramping up to creating a video game/visual novel.
