

Multiple Offender Program

This course is for individuals who have been convicted two or more times of operating a motor vehicle while intoxicated (OWI).

Individuals convicted two or more times of operating a motor vehicle while intoxicated (OWI) may be required by the Alcohol Assessment Agency in their county to complete this course as part of a Driver Safety Plan specified by Wisconsin law.

The Multiple Offender Program is an educational program and is not designed as a treatment program for persons addicted to alcohol or drugs. It is intended to benefit the irresponsible driver who is having continual problems with drinking and driving. Small groups meet in a classroom setting for a total of 33 hours on weeknights or Saturdays. Participation of a concerned individual is also part of this course.

Registration

You must register for the first available course within one week of the release date on your Order for Assessment and Driver Safety Plan Report. Failure to register will result in non-compliance and loss of your driver's license. If you need to transfer to a different section after registering, the transfer must be done 5 business days prior to the start of the course. If you request a transfer after the course has started, you must re-register and pay the subsequent fee.

Course tuition must be paid at the time of registration.

- » Payment plan is available to those who register in-person only.
