The following developmental courses are approved for financial aid funding for most technical diploma and associate degree programs offered at WCTC. Students taking any of these courses for financial aid purposes must receive a grade in order to be measured against WCTC's academic progress standards. **Students must obtain a grade of "C" or better to maintain academic progress. Grades of 'W,' 'F,' or 'AU' are not considered successfully completed.** All requirements for passing the course must be met in order to comply with financial aid eligibility. All classes taken during the semester must be completed by the semester's end. You may not use any of these courses to concurrently obtain a high school diploma/GED while receiving financial aid.
