

Nursing Assistant Long Term Care Nursing Home Clinical Student Health Requirements

1.	Student's Last Name	First Name	M.I.	Date of Birth	Student ID#	Program Nursing Assistant
----	---------------------	------------	------	---------------	-------------	-------------------------------------

2a. **2-Step Tuberculin (TB) Skin Test**
Written proof of 2 consecutive negative TB skin test results within the last 12 months. The two tests must be 7-21 days. The time between each administration and reading is 48-72 hours.
WCTC requires TB skin tests be completed at a ProHealth Works location. See page 2 for a location near you.
