

Credit by Examination AP, CLEP, DSST and IB Policy

Students may be awarded college credit by achieving a satisfactory score on an exam with nationally-recognized standards, including Advanced Placement (AP), College Level Examination Program (CLEP), DSST (formerly DANTEs Subject Standardized Tests), and International Baccalaureate (IB) exams. An official score report must be submitted to the WCTC Admissions Office. Other exams not listed below may be eligible for elective credit. Credits awarded by exam are designated on the transcript and are included in the student's earned hours, but are not calculated into the grade point average.

The WCTC Testing Center offers both CLEP and DSST exams and is a fully-funded DANTEs Test Center. Military personnel and eligible civilians and spouses may be eligible for free, reduced or reimbursed CLEP and DSST exam fees. Additional information can be found at clep.collegeboard.org and at getcollegedcredit.com. For more information on fees and how to sign up for a test session, please refer to the WCTC Testing Center website at wctc.edu/testing.
