

Accounting

61-credit Associate of Applied Science Degree

www.wctc.edu/accounting

If you like working with numbers, focus on accuracy, possess top-notch organizational skills and have a keen eye for detail, a career in accounting might be for you. Clients rely on these traits when they look for a skilled accountant, and WCTC will help you hone these skills for a rewarding career.

About This Program

Accountants play a critical role in the fiscal management of any organization, large or small. The fast-paced business environment depends on sound financial processing, controls and decision-making. They also keep current with new income tax rules and regulations. Discover how to prepare, interpret and analyze financial information; master accounting fundamentals; and develop extensive computer skills in business-based software programs.

What Makes This Program Unique

- Participate in volunteer work through Volunteer Income Tax Assistance (VITA).
- Gain practical, hands-on experience through projects, capstone and internship opportunities to prepare for immediate job success.
- Program-to-program transfer agreements allow you to continue your education at a four-year college or university and work toward becoming a certified public accountant (CPA).
- Additional certificates are available to complement the Accounting degree, including Accounting in Healthcare, Computerized Accounting Specialist, Mortgage Lending and more.

Career Salaries

\$35,000 – \$59,000 annually

Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.
