

# Early Childhood Education Preschool

**18-credit Technical Diploma**

[www.wctc.edu/preschool](http://www.wctc.edu/preschool)

Spending time with young children and nurturing their love of learning is the reward for those who work in early childhood education. If you are patient, compassionate and enjoy working with young children and their parents, a career in early childhood education may be right for you.

## About This Program

Gain specialized training to work directly with preschool-aged children in a variety of early care and education settings. Learn to support the healthy growth, development and learning of children ages three to five years.

### Career Salaries

\$20,800 – \$24,600 annually

Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.

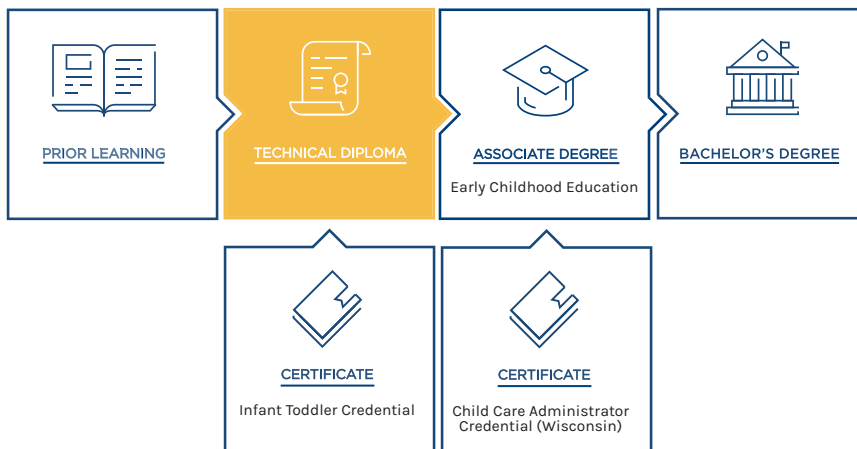

### Potential Careers

Preschool Teacher  
Early Childhood Education Teacher  
Early Care and Education Provider  
4K Assistant

## What Makes This Program Unique

- Program students can obtain the Preschool Credential from The Registry at Career Level 10. Pair this program with the Early Childhood Education associate degree to earn a Registry Career Level 13.
- Credits earned in this program can be applied directly to the Early Childhood Education associate degree.
- Eligible high school students can pursue this diploma through the Dual Enrollment Academy.
