

Emergency Medical Technician

5-credit Technical Diploma

www.wctc.edu/emt

If you have a positive attitude, a desire to help others and can act quickly during stressful situations, a career in emergency medicine may be for you. EMTs must have good social skills, and act with empathy and humility. Solid communication and leadership skills are crucial, as EMTs need to assess and manage different situations.

About This Program

Emergency medical services providers are the first to respond to emergency calls. In this program, develop the skills and knowledge necessary to assess and manage all types of injuries and acute illnesses, while providing safe and rapid transport to a medical facility. Learn about airway management, bleeding and shock, emergency childbirth and automated defibrillation.

Career Salaries

\$28,200 – \$36,600 annually

Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.

Potential Careers

Emergency Medical Technician (EMT)

What Makes This Program Unique

- Upon program completion, students are prepared to take the National Registry examination to be licensed as an EMT-Basic in Wisconsin.
- Gain extensive, hands-on practice with CPAP, cardiac monitoring, 12-lead and medication administration.
- Learn the latest technology and standards from EMS professionals actively employed by area emergency departments.
