

Leadership Development

60-credit Associate of Applied Science Degree

www.wctc.edu/leader-dev

If you have already worked in a leadership position and are hoping to advance your career, the Leadership Program will provide additional skills to make you a better team leader or manager. Those in leadership roles are focused, disciplined and receptive to new ideas, and they have a clear vision of how to achieve their goals.

About This Program

This accelerated program is designed for those who already have one year or more in a full-time leadership position. Leaders will gain additional skills to measure and improve quality, think critically, solve problems, organize and build work team relationships, and develop and maximize human resources.

Career Salaries

\$53,200 - \$100,000+ annually

Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMS). Individual wages may vary based on experience, industry, location and specific job requirements.

Potential Careers

Branch Manager
Circulation Manager
Operations Leader
Human Resources Manager
Team Coach

What Makes This Program Unique

- Evening classes accommodate the working adult. An accelerated learning environment blends interactive in-class activities with online learning.
- Many students in this program are currently working and can weave their on-the-job experiences into course activities.
- Earn two degrees in three years by combining Leadership Development with Human Resources. Learn more about this dual degree option.
