

Nursing Assistant

3-credit Technical Diploma

www.wctc.edu/nursing-asst

If you are interested in getting an introduction to the nursing field and learning basic skills, the Nursing Assistant program may be right for you. Those working as Nursing Assistants have compassion for others, and possess strong time management, organizational and communication skills. Many who complete the Nursing Assistant program continue their studies to become a registered nurse.

About This Program

Learn fundamental nursing assistant skills through lectures, demonstrations and skills practice in this 109-hour program. After mastering the skills, complete training in a nursing home or hospital setting under the supervision of an instructor. Certified Medication Assistant course is available for qualified CNAs.

Career Salaries

\$27,400 - \$35,300 annually

Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.
