

Nursing - Associate Degree

65-credit Associate of Applied Science Degree

www.wctc.edu/nursing

If you have a solid background in science, are emotionally strong, enjoy caring for others, and have empathy and compassion, the nursing profession may be for you. Nurses are quick thinkers who can adapt to a wide range of situations and work in a variety of healthcare settings. Successful nurses are responsible, organized and detail oriented, and they have a passion for helping others.

About This Program

Nurses are key to the healthcare team, serving as caregivers, educators and patient advocates. Integrate the science and art of nursing to prepare for the national licensing exam to become a registered nurse. Licensed nurses may work in hospitals, clinics, long-term care facilities or on the business side of healthcare.

Career Salaries

\$62,200 – \$90,800 annually

Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.

Potential Careers

Staff Nurse
Charge Nurse/Supervisor
Public Health or School Nurse
Forensic Nurse
Home Care Nurse
Nurse Educator

What Makes This Program Unique

- After completing the fourth term of core/technical nursing courses, students are eligible to receive a certificate of completion, take the Practical Nursing (PN) Licensure exam and work as an LPN while continuing Nursing studies.
- Gain realistic, scenario-based clinical practice in WCTC's high-tech Human Patient Simulator (HPS) Lab along with developing a variety of hands-on skills in the Nursing Skills Lab.
- Nursing Bridge Programs: We offer accelerated tracks for Licensed Practical Nurses and Paramedics to earn this degree. Learn more.
