

Truck Driving (CDL Class A)

12-credit Technical Diploma

www.wctc.edu/truck

If you enjoy driving and have a clean driving record, possess the physical stamina to be behind the wheel for several hours at a time, and are interested in truck maintenance and mechanics, a career in the trucking industry may be for you. Those in this industry are good time managers and can work independently.

About This Program

Truck drivers transport goods from one point to another, oftentimes traveling through multiple states and navigating adverse road and weather conditions. In this program, prepare to earn a Class A Commercial Truck Driver’s License. Gain knowledge of federal and state regulations, safety procedures, hazardous materials, bills of lading, loading and securing, and air brake systems.

What Makes This Program Unique

- Graduates will have an opportunity to obtain a Class A Commercial Driver’s License; endorsements for hazardous materials, tankers and doubles/triples; air brake certification; and a National Safety Council Defensive Driving Certificate.
- Train in a state-of-the-art truck driving simulator that can replicate real-life high-risk situations within a safe environment before advancing to driving tractor trailers with an instructor on area roadways.
- Participate in service learning projects that benefit the community. In the past, instructors and students transported donated food to the Food Pantry of Waukesha.

Career Salaries

\$37,000 – \$53,000 annually

Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.
