

CRRSAA/ARP Act Emergency Grant Reporting

The Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) and the American Rescue Plan Act (ARP) provided institutions of higher education with access to federal funds to provide emergency financial aid grants to students whose lives have been disrupted, and to aid with institutional costs associated with the significant changes made to the delivery of instruction due to the Coronavirus.

Waukesha County Technical College (WCTC)'s portion of the student emergency aid allocation is \$5,437,439. WCTC signed and returned to the Department of Education the certification and agreement, including assurances that the institution will utilize the funding available under these programs to provide emergency financial aid grants to students.

Between April 1, 2021 and June 30, 2021 a total of \$770,800 has been distributed to 1,510 students under these programs.

As of June 30, 2021, a cumulative total of \$770,000 has been distributed to 1,510 students under these programs.
